WHY COMPUTER CLASSES?

It is great FUN and the using of a computer presents toddlers with an ideal opportunity to develop emotionally, intellectually and technologically in the relaxed, familiar school environment.

Stimulation during the first seven years of a child's life is very important as all the skills needed for reading and writing are embedded during this period!

WHO MAY ENTER?

- * Toddlers between the ages of 3 and 6.
- * Those who are in need of remedial work.
- * The fast learners who need extra stimulation.

HOW DOES IT WORK?

- * Classes are presented at the school on laptop computers provided by us.
- * A maximum of five toddlers are accommodated per lesson, which ensures individual attention!
- * Lessons are presented weekly for 30 minutes.
- * Problems are identified timeously and discussed with the teacher.
- * Two comprehensive reports per year.
- * A new exciting programme every week.

WHICH SKILLS ARE DEVELOPED?

- * Perception / Memory / Logic / Creativity / Number concept / Computer skills.
- * Emotional skills such as: Self-confidence / Planning / Cooperation.
- * Task orientation such as: Concentration / Independent work / Decision making / Perseverance / Completion of tasks.

HOEKOM REKENAARKLASSE?

Dis PRET en die rekenaar as hulpmiddel bied aan kleuters 'n ideale geleentheid om in 'n ontspanne, bekende omgewing van die skool, emosioneel, intellektueel en tegnologies te ontwikkel.

Stimulasie gedurende die eerste 7 jaar van 'n kleuter se lewe is uiters belangrik omdat al die vaardighede wat nodig is om te kan lees en skryf tydens die tydperk vasgelê word!

WIE KAN INSKRYF?

- * Kleuters tussen die ouderdom van 3 en 6.
- * Die wat remedieëring nodig het .
- * Die wat vinnig en ekstra stimulering wil hê.

HOE WERK DIT?

- * Klasse word by die skool aangebied op skootrekenaars wat ons voorsien.
- * 'n Maksimum van 5 kleuters word per les geakkommodeer, wat individuele aandag verseker!
- * 'n Les duur 30 minute een maal per week.
- * Probleme word vroegtydig geïdentifiseer en met die onderwyser bespreek.
- * 2 volledige verslae per jaar.
- * Elke week 'n nuwe opwindende program!

WATTER VAARDIGHEDE WORD ONTWIKKEL?

- * Persepsie / Geheue / Logika / Kreatiwiteit / Getalbegrip / Rekenaarvaardigheid
- * Emosionele vaardighede soos: Selfvertroue / Beplanning / Samewerking
- * Taakgerigtheid soos: Konsentrasie / Selfstandige werk / Besluitneming / Taakvoltooiing / Deursettingsvermoë.
